

HS3 EV Charger

Smart charging, solar-storage-charging integration, enjoy green travel.

- ☐ Solar-Storage-Charging Integration
- ☐ Remote Monitoring & Control
- ☐ Scheduled Charging Mode
- ☐ Plug & Play Installation

CU2-7.4K-S-I | CU2-11K-T-I

Module	CU2-7.4K-S-I	CU2-11K-T-I
Output Voltage [V AC]	230, ± 20%	400, ± 20%
Max. Output Current [A]	32	16
Rated Output Power [kW]	7	11
Power Consumption (standby) [W]	7	5
Over-current Protection	Supported	
Over/Under Voltage Protection	Supported	
Over/Under Frequency Protection	Supported	
Over Temperature Protection	Supported	
Dimension [H*W*D][mm]	160*695*170	
Weight [kg]	9	
Storage Temperature	-40°C to +60°C	
Operating Temperature	-30°C to +50°C	
Max. Operating Altitude [m]	2000	
Ambient Humidity	5–95% non-condensing	
Charging Cable Length [m]	7
